

A wild romance: Just the two of us...

What could be more perfect than a romantic escape to the remote Kenyan bush? With its 12 luxury tented suites Mahali Mzuri offers a magical and unique setting where couples can spend some private moments together.

The mix of an exciting safari packed with wildlife sightings and adventure along with gourmet meals, fine wines and pampering guarantees an unforgettable getaway.

Game drives and wildlife

Our highly experienced Field Guides will take you on twice daily drives through the Olare Motorogi Conservancy in open vehicles and on a typical game drive you are likely to spot wildebeest, elephants, zebra, lions, leopards, and that's just for starters.

The game experience continues back at the camp! Mahali Mzuri is set just above one of the area's few year-round watering holes, ensuring great game viewing from the dining pavilion and straight from guests' tents when relaxing. You can also kick back and enjoy a cocktail by the refreshing infinity pool whilst watching the show unfold.

Dining

From bush BBQs to champagne picnics to sun downers our team will treat you to a wide selection of African and international menus. We use locally-sourced produce, flavours and spices to deliver something truly memorable. In the evenings, dinner might be served in the main dining tent communal dining style, out in the bush or somewhere private just for two. We also have some surprises to make it extra special for you and your partner:

- **Lovers' Picnic:** Your Guide will whisk you away to a secluded location for a romantic picnic lunch. Trust us, the views are fabulous, and the champagne somehow tastes even better!
- **Private romantic dinner:** On your last evening with us enjoy a delicious private meal for two under the stars with your own personal butler
