Dining:

Our chefs use local and regional ingredients (some from our own farm and vineyard) to create a new menu each day. We eat at a long, antique table in the center of the Saloon; a tradition carried over from the big cattle outlaws that we choose to maintain.

Breakfast: 8am – 10 am

Guests are greeted by an array of fresh fruit, pastries, homemade granola, aromatic coffees and teas, and freshly-squeezed fruit juices. Our Chef will also prepare your choice of hot breakfast items.

Lunch: 1pm

A delicious lunch is served daily in the saloon, or on the deck weather permitting. For the adventurous we will put together a wonderful picnic for a fishing trip, hike, or horse ride.

Dinner: 7:30 pm

Dinner is the pinnacle and culmination of a day of excitement, wonder and relaxation. Guests (who many times become friends) share the stories of the day coupled with an incredible meal.

Our winery, **Sutcliffe Vineyards** (www.sutcliffewines.com), provides Cresto Ranch guests the opportunity to sample from John Sutcliffe's wide array of beautifully crafted wines.

Complimentary Activities:

1600 acres of wilderness area in the San Juan Mountains to explore, picnic lunches, 5 separate areas to enjoy the natural hot springs, mountain bikes, hiking (access to fantastic trails), wildflower & nature walks, ice skating, use of ice hockey equipment, snow shoeing, cross-country skiing, stargazing, lawn games, screening room in Dance Hall with access to over 800 DVDs, teepee, boxing gym & fitness center. Internet accessibility is available throughout Dunton.

Additional Activities:

For the adventurous, Dunton offers more wilderness than can be reasonably explored in one lifetime. Guided on and off-Property activities are available during all seasons. In addition to the below, Vineyard Tours & Tastings, Spa services, Yoga, and Photography/Fine Art lessons are available all year round. It is advisable to book any guided activities well in advance of arrival. We have an on-site Activities Coordinator that can help arrange any adventure.
