## BAGLIONI RESORT SARDINIA:

**A touch of luxury amid pristine nature**

The **Baglioni Resort Sardinia**, a member of *The Leading Hotels of the World*, is the latest gem to join the Baglioni Hotels & Resorts Italian Collection. Immersed in a sublime natural landscape without parallel in the entire Mediterranean – in **Tavolara Marine Protected Area** on Sardinia's north-east coast – the Resort is set to open on **1 June 2021**.

Situated just north of San Teodoro, 20 minutes from Olbia Costa Smeralda international airport or a 45-minute drive from Porto Rotondo, the Resort has been created very much with **families and couples** in mind. It is the perfect place to dive into a holiday exploring the island's glorious natural beauty – from the pink flamingos of Tavolara to Mount Nieddu's Mediterranean maquis.

The **78 rooms and suites** are designed with an essential elegance and grace, as the tasteful modern furnishings chime with the colours of the natural surroundings. Some have breathtaking views sweeping across one of Sardinia's finest beaches: **Lu Impostu**. This 1-km arc of pristine sand and shallow, crystalline water is bliss for kids, and it's only a few minutes' walk away.
