ITINERARY OVERVIEW

DAY 1 Arrival in Ölgii & Bayan Lake Wilderness

Upon arrival at Ölgii Airport, a fleet of 4x4 vehicles will be waiting to welcome you. From there, we set out across the untamed beauty of **Bayan Lake** — where glacial waters meet the braided Khovd River, watched over by the snow-capped guardians of the **Tsambagarav Mountains**.

Later that day, you'll arrive at Vega Camp. Settle into your signature Vega Room, take a breath, and raise a glass beneath the boundless sky — the journey has begun.

DAY 2 Journey to Tsul Ulaan Valley

This morning, we guide you through one of the region's most cinematic landscapes, **Tsul Ulaan Valley** - where red rock cliffs meet snowy peaks and the presence of nomadic life is felt in every detail.

After a scenic lunch on the banks of the **Khovd River**, we return to Vega Camp. The evening is open for rest, reflection, or quiet connection in the stillness of Western Mongolia.

DAY 3 Along the Glaciers of Tsambagarav Mountain

We'll head into the highlands via the rugged trail of **Noroolog Cliff**, surrounded by vast silence and ancient landforms. The path leads to the majestic **Tsambagarav Mountain**, its glaciers gleaming in the sun.

At **Tavan Belchir**, we pause for a coffee surrounded by elemental grandeur, before continuing on to our next Vega Camp.

This is a place where time stretches, and the world feels far away.

DAY 4 Eagle Hunters & Tolbo Lake Farewell

We visit **Sagsai** village, where local **eagle hunters** welcome us into their home. Immerse ourselves in Mongolia's Kazakh rich nomadic traditions - learn the ancient art of eagle hunting, experience traditional horse games, and join a short horseback ride through the open steppe.

Our day ends at Vega camp by the magnificent **Tolbo Lake**, with a farewell dinner and live local music beneath the open sky.

DAY 5 End of the Vega Journey

After an early breakfast, we'll transfer to Ölgii airport (50km) for your two-hour flight back to Ulaanbaatar, carrying memories of Mongolia's magnificent Altai region.
